

How to become a Race Day Official at Darley Moor Sports Centre

At Darley Moor Sports Centre we need numerous Officials to help organise the events. These can vary from office staff, timekeepers, technical staff, security staff the list is endless.

If you attend Darley Moor Sports Centre with a rider or spectator and fancy helping the Club out by becoming an official on race day you will be welcome with open arms. You do not require any special knowledge, except perhaps to become a technical official, just a basic knowledge. We will help you learn our procedures and of course we may well learn from picking your brains.

We will supply the following:

A complimentary admission pass for you and a guest.

A small contribution towards travel costs

Certain Club clothing.

Various free gifts during the year.

For further information please contact Andy Barber on
